What is Autism?

Autism is a neurological disorder that affects a person's ability to communicate, reason and socially interact with others. It is a lifelong disorder effecting individuals differently and to varying degrees of severity. As reported by the Centers for Disease Control, 1 in every 110 children is affected by autism.

What is Parents Run AMOC?

Formed in 2004 by parents who saw there was a need to raise awareness and bring about more understanding of Autism Spectrum Disorders, it is comprised of a group of very dedicated parents who volunteer their time to improving the quality of life for individuals with ASD through awareness, understanding and tolerance of this disorder.

New volunteers are always welcome.

Mission Statement

Parents Run AMOC (Autism Move-A-Thon of Orange County) is dedicated to raising public awareness of Autism Spectrum Disorders (ASD). We strive to support families coping with ASD by providing information and networking opportunities to help empower them. Our goal is to help the community understand and better deal with the challenges facing individuals with ASD. We advocate for those individuals, who are often voiceless, to be accepted and respected as individuals living in our community. We aim to raise better understanding, awareness, and more tolerance of ASD through education within Orange County, NY.
