

Winter Series Race #3 Superbowl Run Pool

As part of our Winter Series Race #3 on Superbowl Sunday is a fun football pool. The way it works is **the first 100 runners** and/or walkers as scored by their finishing place in Race #3 will be put into the 100 pool boxes, and whoever is in the 'box' with the ones or units digits of the target scores wins!

For example, if the score was **CHIEFS 17** and **49ERS 15** at the end of a quarter, that would be the box with the number 14 in it, (orange box), in the sample image below. It is found by using the '7' from the Chief's score and the '5' from the 49ERS score. So the 14th finisher of Race #3 would win, and that's it!

	CHIEFS	0	3	5	7	1	2	6	9	4	8

Rules:

* If less than 100 participants are in the race, we will continue to fill the boxes starting over from the race winner in first place, giving the fast people double chances. *Continues...*

Winter Series Race #3 Superbowl Run Pool

Rules Continued:

* **IMPORTANT** - The row and column numbers in the green boxes, will be randomly selected **after** Race #3' runs and **before** the Superbowl game starts. *The ones on the previous page are for education purposes only.*

* The filled in Superbowl Run Pool will then be posted to the [Winter Series webpage](#) **before the game** so you can root for your game scores according to your Race #3 finishing place.

* The action continues for the whole Superbowl game as there can be up to four winners in the Superbowl Run Pool. For the 1st and 3rd quarter scores, the halftime score, and the final score. It is possible to win more than once if your score numbers hold up!

* Since the Superbowl Run Pool requires both the Race #3 results and the final Super Bowl scores, the winners will be posted and receive their small prize at a later date. *Winter Series Race #4 is a good place if you can make it.*

Pretty much everyone has an equal chance but some football scores are more likely than others.

So if you end up in a row or column with a 0 or 7 you *may* have a better chance.

**Good Luck,
enjoy the run and “The Game”!**
